INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
of English Language Center of Cache Valley, Inc.
Logan, UT 84321

We have audited the accompanying statement of financial position of the English Language Center of Cache Valley, Inc. (the Center) (a non-profit corporation) as of June 30, 2006, and the related statement of activities and cash flows for the year then ended. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the English Language Center of Cache Valley, Inc. as of June 30, 2006, and the changes in net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated July 11, 2006, on our consideration of the Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Notes to Financial Statements

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

English Language Center of Cache Valley, Inc. (the Center) is a non-profit corporation organized under the laws of the State of Utah on June 9, 1998. The Center consists of teaching facilities of English as a second language to adults of all nationalities, from pre-literate to the advanced level, thus improving their opportunities for employment and enhancing their community survival skills. The Center is governed by a board of trustees consisting of four to six members elected by the majority of the board of trustees. The non-profit corporation is located in Logan, Utah.

Basis of Accounting

The financial statements of the Center have been prepared on the accrual basis of accounting.

Unrestricted Net Assets

Under SFAS No. 117 the English Language Center of Cache Valley, Inc. is required to report information regarding its financial positions and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets consist of revenue and other support available for and used for current operations. Restricted contributions whose restrictions are met in the same reporting period are shown on the financial statements as unrestricted contributions.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designed for the future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Property and Equipment

Purchased property and equipment are recorded at cost. Donated equipment is valued at fair market value. Beginning in fiscal year 2001, all capital items greater than \$5,000 are classified as capitalized assets. Depreciation of equipment is provided for over the estimated useful lives of the respective assets using the straight-line method. The Center uses the following useful lives:

Furniture and equipment	3-5 years
-------------------------	-----------

Upon retirement or disposal of property and equipment, the costs and related accumulated depreciation amounts are eliminated, and any gain or loss is included in the statement of activity in the year of disposition.

Income Taxes

As a non-profit organization which is not a private foundation, the Center has been granted tax-exempt status by the IRS under Section 501(c)(3). Accordingly, no provision for income taxes has been made in the financial statements.

Donated Materials, Equipment, and Services

Donated materials, equipment, facilities, and certain services are reflected as contributions in the accompanying statements at their estimated fair value on the date of contribution.

Statement of Cash Flows

For the purposes of the Statement of Cash Flows, the Center considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

Memorandum Totals

Total columns on the prior year period are captioned "memorandum only" to indicate that they are presented only to facilitate analysis.

**REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER
FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees of
English Language Center of Cache Valley, Inc.

We have audited the financial statements of English Language Center of Cache Valley, Inc. (the Center) (a nonprofit corporation) as of and for the year ended June 30, 2006, and have issued our report thereon dated July 11, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Center's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances on noncompliance that are required to be reported under Government Auditing Standards.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Center's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not

necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses

This report is intended solely for the information and use of the audit committee, management, and Board of Trustees and is not intended to be and should not be used by anyone other than these specified parties.
